

Trend 15 Reduced!

Home Office / Garden Cabin

SELF-BUILD PRICE WAS ~~€5926.00~~

NOW €5600.00 including Delivery and VAT

Trend 15 is the solution to your space problems at home. Use your garden to get extra living space more cost effectively than an extension.

- ▣ Work from home to avoid the daily commute.
- ▣ Kids games room
- ▣ Overnight guest accommodation

Trend 15 has a neat contemporary look with its full height window and single pitched roof. It will last for many years and add value to your home. In most cases planning permission is not required. Trend 15 is manufactured from top quality slow grown 58 mm thick Pine logs from sustainable forests in the far North of Sweden. It is fully double glazed with 15 mm sealed units in Pine frames (U value 1.75). The door is fully insulated and has a secure cylinder lock. Floor is Pine floorboards with a cavity underneath for insulation. Ceiling is Pine panelling with a cavity above for insulation.

Dimensions - 5m (16 feet) wide, 3m (10 feet) deep, and 3m (10 feet) high.

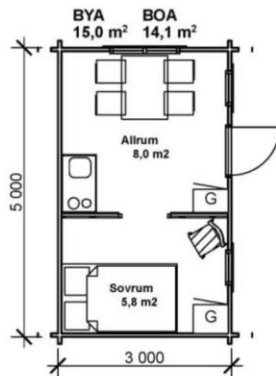

EASTER PRICE €13,100 Complete!

Supply and Fit Price includes VAT, Delivery, Insulation, Erection, Plinth Foundations, Electrics and Varnish *
